Dear Sir/Madam:

The Philippine Statistics Authority (PSA) is conducting the October 2024 Labor Force Survey (LFS) to gather data on the demographic and socio-economic characteristics of the population. These data will be used by government planners, policymakers, and administrators in formulating social and economic development plans, policies, and programs.

The conduct of the October 2024 LFS is in accordance with Republic Act (RA) No. 10625 (Philippine Statistical Act of 2013), which authorizes the PSA to prepare and conduct periodic censuses on various sectors of economy and PSA Board Resolution No. 08 Series of 2020 mandating the conduct of monthly LFS.

Pursuant to Section 25 of RA 10625, the National Statistician identified the above statistical inquiry or survey to be conducted with obligation to provide information. Considering this, all respondents whether natural or legal persons shall be liable to reply to the statistical inquiry or survey. The respondents are also required to give truthful and complete answers to the said statistical inquiries or surveys of the PSA and other statistical offices of the Philippine Statistical System. We are requesting you to provide complete and truthful answers to all questions that will be asked by our survey/census interviewer.

Rest assured that the data you will furnish in the above-mentioned survey/census shall be treated with strict confidentiality and shall be considered PRIVILEGED COMMUNICATION, hence, inadmissible in evidence in any proceeding as provided for in Section 26 of RA 10625. The PSA also complies with the Data Privacy Act of 2012 and assures that all collected personal information are processed in accordance with the law and other issuances.

This survey was reviewed and cleared under the Statistical Survey Review and Clearance System with clearance number PSA-2350-01 and expiration date 31 December 2024.

We appreciate your utmost cooperation and support for the success of the October 2024 LFS. Thank you very much.

Very truly yours,

CLAIRE DENNIS S. MAPA, PhD
Undersecretary
National Statistician and Civil Registrar General
