Dear Sir/Madam:

The Philippine Statistics Authority (PSA) is conducting the July 2024 Labor Force Survey and 2024 Annual Poverty Indicators Survey (July 2024 LFS/2024 APIS) to gather data on the demographic and socio-economic characteristics of the population; economic activities and non-income indicators related to poverty. These data will be used by government planners, policymakers, and administrators in formulating social and economic development plans, policies, and programs.

The conduct of the July 2024 LFS/2024 APIS is in accordance with Republic Act (RA) No. 10625 (Philippine Statistical Act of 2013), which authorizes the PSA to prepare and conduct periodic censuses on various sectors of economy.

Pursuant to Section 25 of RA 10625, the National Statistician identified the above statistical inquiry or survey to be conducted with obligation to provide information. Considering this, all respondents whether natural or legal persons shall be liable to reply to the statistical inquiry or survey. The respondents are also required to give truthful and complete answers to the said statistical inquiries or surveys of the PSA and other statistical offices of the Philippine Statistical System. We are requesting you to provide complete and truthful answers to all questions that will be asked by our survey interviewer.

Rest assured that the data you will furnish in the above-mentioned survey shall be treated with strict confidentiality and shall be considered PRIVILEGED COMMUNICATION, hence, inadmissible in evidence in any proceeding as provided for in Section 26 of RA 10625. The PSA also complies with the Data Privacy Act of 2012 and assures that all collected personal information are processed in accordance with the law and other issuances.

This survey/census was reviewed and cleared under the Statistical Survey Review and Clearance System (SSRCS) with clearance number (PSA - 2422) and expiration date (June 30, 2025).

We appreciate your utmost cooperation and support for the success of the July 2024 LFS/2024 APIS. Thank you very much.

Very truly yours,

INTRODUCTION AND CONSENT

Hello. My name is _____. I am working with the Philippine Statistics Authority. We are conducting a survey about the demographic and socio-economic characteristics of the population, economic activities, household and housing characteristics, and early childhood care and development programs. Your household is one of the 45,000 sample households randomly selected nationwide. The information gathered in this survey would assist our policymakers and program managers in formulating social and economic development plans, programs, designing strategies for improving services, and evaluating assistance to alleviate poverty, and policy decision making. All personnel involved in this survey are required to keep in strict confidence any information obtained during the interview that pertains to any particular household or individual. Likewise, the data gathered will be released only in the form of statistical summaries in which no reference to any person shall appear. We hope you will agree to answer the questions since your views are important. If I ask you any question you don't want to answer, just let me know and I will go on to the next question.

In case you need more information about the survey, you may contact the Philippine Statistics Authority Provincial Statistical Officer *(please provide the contact number of the Provincial Statistics Office)* in your province or the Philippine Statistics Authority Central Office at telephone number (632) 8376 2092 or 8376 1995.
